The Supreme Fabulettes in Viva Las Divas

The Supreme Fabulettes in Viva las Divas is a high-camp musical extravaganza tracing the hilarious rise from rags to riches of The Supreme Fabulettes - Miss Vicki Vivacious, Miss Portia De Fosse, Miss Silver Summers and Miss Vanilla Lush - watched over at all times by their razor-tongued Australian manager, Miss Sheila Simmonds.

Set in a world of backstabbing, love, sweat, sequins and tears.... but all played for laughs, it blends classic number one hit songs, current chart-toppers and original songs by Boy George with sweet *Glee*-style harmonies, wondrous couture costumes and cutting-edge variety.

The Supreme Fabulettes are the vision of the A-list creative team behind Kylie Minoque, directed and styled by Klylie's very own legendary Creative Director, William Baker.

The Supreme Fabulettes' live shows have earned a clutch of 5-star rave reviews and they have twice been named No1 Critics Choice by *Time Out*. They also featured in the cult TV series *Drag Queens of London*.

The show also guest stars Sam Buttery, finalist of the first season of BBC's *The Voice* and Leigh Bowery in *Taboo*.

The Supreme Fabulettes in Viva las Divas are on tour across the UK. Launching with two nights at their spiritual home, Leicester Square Theatre on Friday February 6 & Saturday February 7.

Full tour dates are attached.

The Supreme Fabulettes became global internet sensations when the video for their first single, *You Ruined My Xmas*, written and directed by Boy George, was viewed over 100,000 times in just three weeks. Their follow up, *A Drag Queen is a Cowboy's Best Friend*, was also written by and the video directed by Boy George.

So join the girls for an unforgettable night of glitz, hits, fun and kitsch in a glamorous and outrageous show with a party-packed score of hits from 60s, 70s, 80s through to current time and hear about their and dramas... in the most glamorous (size 15) frocks and the highest heels possible!

Songs featured include The Supremes' *Stop in the Name of Love*, Adele's *Rolling in the Deep*, Abba's *Gimme Gimme Gimme*, Destiny's Child's *Survivor*, Tina Turner's *Proud Mary*, Madonna's *Material Girl* and *Express Yourself*, Rhianna's *Diamonds* and many, many more

**"Funny, clever and spectacularly entertaining.
Which is what you might expect from a cabaret
act with the kitsch factor dialled up to 11, wearing
false eyelashes so big they endanger the front
row's Martinis. What might be less expected
is that these ladies can sing - really sing."**
