

The 5-star smash-hit 100% sold out Edinburgh sensation

## **HOT GAY TIME MACHINE**

by multi-award-winning Zak Ghazi-Torbati and Toby Marlow & Lucy Moss

(co-writers of the current West End smash-hit musical **SIX**)

arrives in the West End for a Christmas season

Fresh from a critically acclaimed, 100% sold-out, five-star run at the Edinburgh Fringe, **HOT GAY TIME MACHINE** by multi-award-winning comedy duo Zak Ghazi-Torbati and Toby Marlow and Lucy Moss (Marlow & Moss are co-writers of current West End smash-hit musical **SIX**), arrives in the West End for a gaytastic Christmas season.

Full to the brim with aggressively enthusiastic dance routines and hilarious original musical numbers, **Hot Gay Time Machine** - winner of the Brighton Fringe Award for Excellence - is a cabaret comedy extravaganza that has all the ingredients for the perfect festive night on the town.

**Hot Gay Time Machine** will run at Trafalgar Studio 2 from Tuesday 27 November to Saturday 5 January.

**Press are invited to attend Friday 30 November (7.00pm & 9.15pm) Saturday 1 December (7.00pm & 9.15pm), Monday 3 December at 7.45pm & Tuesday 4 December at 7.45pm**

Just like 'A Christmas Carol' - but with fewer ghosts and more gays - the dynamic double-act sing, shimmy and sashay the audience on a time travelling adventure through the history of their favourite topic: themselves. Covering all the most important moments in a gay man's life, like coming out to your mum and navigating the naked politics of the school locker room, this is a Christmas party like no other. It's been described as 'riotous, but subtly moving' (The List), though how anyone can call anything involving slashed pink shorts this short 'subtle' is beyond us. You'll come away with your sides aching and your heart full - and maybe Toby's number if you're lucky and handsome.

So come all ye GAYthful. What are you waiting for, gay marriage? Well we got that already so come party with the gays!

Starring: Zak Ghazi-Torbati and Toby Marlow.

Director: Lucy Moss.

**Hot Gay Time Machine** is produced by Paul Taylor Mills and Kenny Wax.
